Counterfeit Notes

Counterfeit notes have recently been found in circulation within the Market.

All tenants are reminded to check all notes at each transaction. Counterfeit notes could be inferior paper quality, faded, thicker than normal, not have raised 50 printed in the hologram window, hologram cut out and pasted, blurred or irregular print, poorly cut and white edges.

If counterfeit notes are discovered they should be reported immediately to the SML Operations Manager 0420 936 710 and Auburn Police (02) 9646 8699.
