

To All Market Stakeholders

NEW PROPERTY MANAGER APPOINTMENT

A comprehensive recruitment process was undertaken to fill the vacant Property Manager position. This process was undertaken through an external recruitment agency which culminated in interviews of internal and external applicants.

I am pleased to advise that Mr Shawn Freeburn, who is currently SML's Business Development Manager, has been appointed as the new Property Manager and will commence his new role today.

SML congratulates Shawn on his promotion.

BRIAN BIGELOW

Head of Operations
