

Implementation of the Friday/Saturday Traffic Management Plan

Following an extensive trial conducted over the past few months, the SML Board has approved the implementation of the Friday/Saturday Traffic Management Plan (TMP).

This means the closure of the eastbound lane on Centre Road from 10.00am to 3.00pm on Fridays and from 6.00am to 3.00pm on Saturdays will continue.

The aim of the Friday/Saturday TMP is to separate pedestrians and vehicles (including forklifts), whilst providing a safe and friendly shopping experience for customers.

SML would like to thank all stakeholders for their co-operation in the continuous improvements undertaken within the Sydney Markets site.
