SAFETY NOTICE

SafeWork NSW Information Sessions

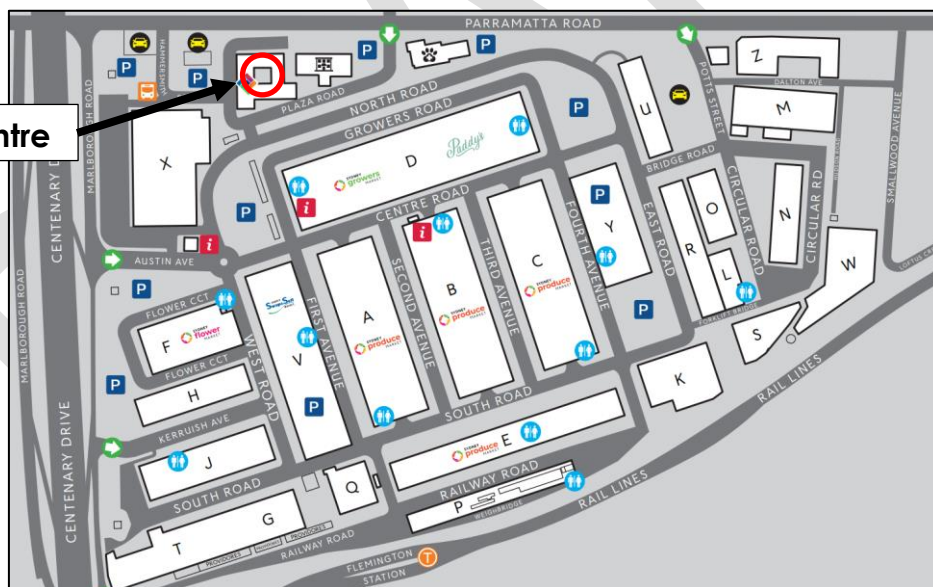

SafeWork NSW will be conducting two 90-minute information sessions for all stakeholders.

Accompanying Safework will be Mr Mark Ellis, an employee whose life was impacted by a workplace accident involving a forklift will attend these sessions to tell his story and answer questions from the audience.

SML strongly encourages all stakeholders, **especially forklift drivers and those working around forklifts**, to attend either of these sessions as they will provide an opportunity to speak with industry experts and hear first hand the impacts of workplace incidents.

SafeWork NSW Information sessions will be held in the Conference Centre on Level 1, Plaza Building on Tuesday the 18th of April 2023.

- First session from 6.30am to 08.00am.
- Second session from 8.30am to 10.00am.

SAFETY AT WORK IS EVERYONES RESPONSIBILITY.

Spaces will be limited so book in early!

To book a space for you and your employees, please contact SML WHS Manager Mr Leighton Freney on 0417 325 171 or via email at whsm@sydneymarkets.com.au
